

Premier

Polyester Fiber Pad	3.0
Wooden Platform	0.5
Leg	7.5
Upholstery Allowance	0.25
Foundation Height (w/o caster)	11.25
Caster Height	2.25
Foundation Height (with caster)	13.50
Mattress Height (to tape edge)	8.75
Total Bed Height (with mattress & caster)	22.25
Total Bed Height (with mattress & no caster)	20.00

Note 1 > Premier mattresses measure 10.25" to the crown. Premier mattresses measure 8.75" to the taped edge. Beware & tell customers that mattress measurements are +/- 1/4" which could cause a total of 1/2" difference. Everybody measures mattresses differently & mattresses are mush!!

Note 2 > The Premier foundation will have a 4" "underfoam" rail glued to the underside of the wooden platform. The "underfoam" rail gives the foundation a luxury, box-spring-like appearance. The Value Flex does not include any underfoam rails.

Value Flex
